Forecast for Thursday 18 Mar 2021

Weather: It will be a dry day with mist and low cloud across many ranges at first, becoming mostly confined hills of west Argyll during the morning. Otherwise becoming brighter with sunny spells developing during the morning.

Chance of cloud free mountain/hill tops above 800m: 30% over hills towards West Coast. Improving 80% well inland during the morning.

Visibility: Misty conditions at first with banks of cloud well down the hills, especially towards West Coast. Visibility becoming generally good during morning with clouds lifting and breaking up well inland. However some patches of mist and low cloud will linger all day over Mull, Lochaber and west Argyll.
